

SICK AssetHub

APPLICATION SOFTWARE

SICK
Sensor Intelligence.

Ordering information

Type	part no.
SICK AssetHub	On request

Other models and accessories → www.sick.com/SICK_AssetHub

Detailed technical data

Features

Supported products	All, regardless of the manufacturer
Technology	Web service Access via browser
Task	Generation of a digital map of industrial systems for creating transparency and as a basis for various data-driven applications
Download	Apple App Store GET IT ON Google Play
Supported end devices	Tablet PC

System requirements

Supported end devices	Tablet PC
Language	German, English

Licenses

Product type	SaaS (Software as a Service)
License type	Named user license
Fee-based	No (freeware)
Average availability	97 %

SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
